

THE BEST TIMES TO GO ON

SAFARI

This is a general guideline for safari travel, and there are some variations. We recommend you chat to us about your dream safari, and let us tailor-make an itinerary that meets your exact needs.

BEST TIME

excellent game viewing • best for many iconic wildlife events • best weather • usually peak season prices • can be crowded in the more popular destinations

BEST VALUE

good (often great) game viewing • variable weather conditions • usually mid & low season prices • no crowds • excluding xmas & new year period

BEST ADVENTURE

average game viewing • not the best weather (rain) • usually low season prices • no crowds (have it all to yourself) • great value for the more adventurous
